

(a) A "freestanding mooring" is any means to attach a ship, boat, vessel, floating structure, or other water craft to a stationary underwater device, mooring buoy, buoyed anchor, or piling (as long as the piling is not associated with an existing or proposed pier, dock, or boathouse).

(c) Freestanding moorings and bird nesting poles authorized by this permit shall be for the exclusive use of the riparian landowner(s) in whose name the permit is issued and shall not provide either leased or rented moorings or any other commercial services.

(e) Freestanding moorings or bird nesting poles authorized by this permit shall not interfere with navigation or use of the waters by the public.
