

18 NCAC 07J .0115 WHEN PROVIDER MAY RETAIN BACKUP COPIES OF DATA

A technology provider may retain backup copies of data associated with the notarial transaction process longer than the retention period otherwise specified in this Subchapter only if:

- (1) the backup copies of the data are retained offline;
- (2) the provider has a backup retention policy; and
- (3) the offline backup copies are securely deleted in accordance with the provider's backup policy.
