

(a) The Board shall annually develop a Mandatory course as described in G.S. 87-10.2(b) and shall provide instructional materials for use by providers.

(c) Providers shall obtain written approval from the Board prior to offering, advertising, or otherwise representing that any Mandatory course is being offered for continuing education credit in North Carolina.

- (1) provider's legal name, address, telephone number, and website;
- (2) continuing education coordinator's name;
- (3) if applicable, provider's ID number assigned by the Board;
- (4) if applicable, name and instructor ID number of prospective instructors; and
- (5) signature of the applicant or its legal designee.

(f) All supplemental materials distributed to Mandatory course attendees shall be developed solely by the Board or its designee. Such materials shall be distributed to each student taking the Mandatory course.

(h) Course providers and instructors shall not deviate from or alter the Mandatory Course materials developed by the Board. A violation of this Paragraph shall be grounds for withdrawal of Board approval or denial of a future application pursuant to 21 NCAC 12B .0203 and .0403.
