

**21 NCAC 14B .0607      WAIVERS**

(a) Individuals who wish to request a waiver of a rule shall submit to the Board a written request which includes:

- (1) The rule for which a waiver is requested;
- (2) The reason for requesting the waiver along with supporting documents;
- (3) Evidence of how the waiver will provide for the health and safety of the consumer or licensee; and
- (4) The signature of applicant.

(b) The Board shall approve a waiver request only if:

- (1) The administrative rule for which the waiver is being requested is not mandated by law; and
- (2) The Board finds that approval of the requested waiver shall not jeopardize the health and safety of employees or the public.
