

21 NCAC 66 .0203**LICENSE REQUIRED TO PRACTICE; FACULTY CERTIFICATE; ZOO VETERINARY CERTIFICATE**

(a) Upon written application, the Board may issue a veterinary faculty certificate to a faculty member in the College of Veterinary Medicine at North Carolina State University which certifies that the holder thereof is exempt from the requirements of licensing under G.S. 90-187.10(3). To be a faculty member in the College of Veterinary Medicine, the faculty member shall be a graduate of a "recognized school of veterinary medicine" as defined by the American Veterinary Medical Association and a member of the faculty or staff of the College of Veterinary Medicine. The faculty member's certificate shall indicate that the holder is exempt from the requirements for licensing provided that the practice of veterinary medicine is confined to the faculty member's duties in the hospital or field service unit of the College of Veterinary Medicine. Such exemption certificate shall automatically expire when the holder's relationship is terminated with the school and university.

(b) Upon written application, the Board may issue a zoo veterinary certificate in lieu of the license that otherwise would be required by G.S. 90-187.10 to a veterinarian not licensed by the Board who is employed by the North Carolina State Zoo. The requirements for and criteria governing the zoo veterinary certificate shall be the same as for the faculty certificate, to the extent applicable and practical. In determining whether to issue a zoo veterinary certificate, the board shall, in addition, consider the applicant's zoo employment history, the applicant's job description and duties with the N.C. State Zoo, and the reasons the applicant seeks exemption from the licensure requirements for veterinarians.

(c) The request for either the faculty certificate or zoo veterinary certificate shall be in writing upon application form furnished by the Board. All fees for issuance, renewal, re-instatement, as well as criteria for continuing education and discipline shall be as set forth in Article 11, G.S. 90 and the rules of the Board. The zoo veterinary certificates shall be annually renewed each calendar year, and the faculty certificates also shall be for the duration of one year, but the Board may determine a beginning date other than January 1 if necessary to conform to academic appointments or the academic calendar of the College of Veterinary Medicine.

(d) The Board may consider a written application for a faculty certificate by a person who is a graduate of a "recognized school of veterinary medicine" as defined in Paragraph (a) of this Rule and who is a member of the faculty or staff of a college or university in this State other than the College of Veterinary Medicine of North Carolina State University, provided that the application sets forth the qualifications of the faculty member; the reasons that the faculty member seeks to be exempt from the requirements for licensing as a veterinarian in North Carolina, and the duties of the faculty member at the college or university where he or she is employed. A faculty certificate shall be issued under this Paragraph if the applicant shows to the satisfaction of the Board that his or her duties as a faculty member involve the practice of veterinary medicine at the college or university and that there are valid reasons that the applicant should be exempt from the licensure requirements for veterinarians. If a faculty certificate is issued under this Paragraph, all other application requirements, fee requirements, and expiration conditions apply it as to those issued to faculty members at the College of Veterinary Medicine at North Carolina State University.
